PROFILE

I am Atharv Ganesh Pote, a second-year Diploma student in Computer Engineering at Zeal College, Narhe, Pune. I have hands-on knowledge of programming languages such as C, C++, Java, and Python, and I am eager to apply my technical skills in a real-world environment through an internship. I am a quick learner and highly motivated to gain practical experience in software development. In addition to core programming skills, I am familiar with modern AI-assisted development tools such as DeepSeek AI, Cursor, Trae, and Windsurf, which help me build efficient, optimized, and high-quality applications. I am comfortable communicating in English, Hindi, and Marathi, and I enjoy working collaboratively in team-based environments.
